

Westside Media & Production Summer Internship 2019

Position Title: Westside Media & Production Intern

Reports to: Media Director

Specifications:

Hourly Wage	Number of Weeks	Hours per Week	Total Hours	Dates
\$15.00	TBD	TBD	TBD	TBD

Our media & production team works behind the scenes to make it possible to share the message of Westside and Jesus with large groups of people through social media, graphic design, photography, videography, sound, lighting, presentations, web design, and other forms of communication. We aim to create excellent, distraction-free experiences that enhance encounters with God during Sunday services.

Goal of Position: The Westside Media & Production Intern will help compile and create internal and external media/communication pieces that compels attendees and others to become interested in participating in the church for the transformation of the community and themselves. They will also support the Media Director in key elements of the Production Ministry, including: ministry planning, upcoming projects, and preparation of the upcoming ministry year and events.

Responsibilities/Projects:

- Social Media
- Graphic Design
- Video Production
- Podcasting
- Photography
- Church Website
- Presentation Software
- Email Campaigns
- Assimilation models

Meetings: The Westside Media & Production Intern will meet weekly with the Media Director to update on progress and connect relationally.
